REMARKS

This amendment is in response to the Notice of Non-Compliant Amendment mailed March 16, 2006, whereby claims 4 to 33 were inadvertently identified as having been “withdrawn” although they were “canceled” in the amendment filed September 12, 2002. The status identifier of claims 4 to 33 has been changed to “canceled”. Claims 37 and 43 have been amended to improve their form. These amendments do not add new subject matter nor raise new issues. Subsequent to the entry of the present amendment, claims 1, 34, 37, 40, 43-47 are pending and at issue.

In view of the amendments and above remarks, and those remarks in the amendment filed March 7, 2006 to the Office Action mailed December 7, 2005, it is submitted that the claims are in condition for allowance, and a notice to that effect is respectfully requested. The Examiner is invited to contact Applicant's undersigned representative if there are any questions relating to this application.
